Local Artists Barbara and Wallace Grant Art Shown in the Art Gallery at Suzette Brumleve Memorial Effingham Public Library

The Suzette Brumleve Memorial Effingham Public Library is pleased to showcase the art work of local artists and Effingham Art Guild members, Barbara and Wallace Grant. The Grants' work will be on display until June 30, 2017.

The exhibition invites the public to view over 21 works of art. Wallace's display includes eleven photography pieces which highlight natural and man-made structures.

Barbara's display of ten pieces includes two items in colored pencil and eight items in watercolor. Barbara enjoys using watercolors and the challenge it takes to get shading and depth with colored pencils. Her favorite subjects include animals and birds with a spattering of flowers thrown in. She has had one piece published in a colored pencil book by Kristy Kutch.

Barbara and Wallace Grant's artwork will be displayed in the Art Gallery until June 30, 2017.

For more information, contact Andrew Dougherty, Evening Support Specialist at 217 342 2464 or andrew@effinghamlibrary.org.
