Local Artists Dr. James Graham Art Shown in the Art Gallery at Suzette Brumleve Memorial Effingham Public Library

The Suzette Brumleve Memorial Effingham Public Library is pleased to showcase the art work of local artist Dr. James Graham. Dr. Graham's work will be on display until August 11, 2017.

The exhibition invites the public to view over 20 works of art. Dr. Graham's work includes abstract artwork, animal portrayals, along with a number of anatomical and portrait pieces. Primary, the medium is oil on canvas, and shows influence from impressionist and classical styles of painting. Dr. James Graham has a meticulous dedication to light and form that is apparent as he transitions between mediums and styles.

Dr. James Graham's artwork will be displayed in the Art Gallery until August 11, 2017.
